Green Belt Threat

12,500 houses to be built in our Borough between 2011-2031

Our villages have to provide 880 dwellings

This means that our precious Green Belt is under threat again.

Your support of the Green Belt Society enabled us to appear and contribute £20,000 towards the legal costs incurred in the long hard fight against the Incinerator. The subsequent success following the Public Inquiry was due to Green Belt policies.

Now we need your support again

If you have not already paid your subscription for this year please complete and return the form below
